Alliance of Women (Athens),  
National Institute for Security  
Studies (Tel Aviv), Israel Public  
Policy Institute (Tel Aviv)

"I am so glad that I had the opportunity to do the Employment Experience Abroad in my 3rd year. Not only did I have an incredible time abroad, but I also gained so much from it on a professional level. It has helped me to elaborate my professional career path as it provides a true insight into the professional world. I strongly believe any student should do it!"
